STATEMENT OF CERTIFICATION, AUTHORIZATION, & AGREEMENT

I certify that the information I have provided in this application form, in my resume, and interview(s) is complete and accurate. I authorize all my former employers and personal references to answer inquiries made by this Company and I hereby release all such parties including their subsidiaries, employees, subscribers, representatives, agents, heirs, and assigns from liability as a result of doing so. I agree that if, in the exclusive opinion of the Company, I have made any misrepresentation, or the results of the investigation are not satisfactory, any offer of employment may be withdrawn or, if already hired and working, I may be terminated without liability, except for payment at the rate agreed upon for services actually rendered. I understand and agree this authorization to investigate my background is extended to and covers the entire period of my employment with the Company. A copy of this certification, authorization, and agreement can serve the same purpose as the original.

I understand and agree this Company is an "at will" employer. This means that my compensation and conditions of employment can be changed by the Company at any time or my employment can be terminated by me or the Company at any time and for any reason, or for no reason at all, and that no one, except the President of the Company, is authorized to enter into a contract or agreement of employment with me for any specific period of time or offer me any benefits different than those generally available to other similarly situated employees, as stated in the Company's benefit plans and employee policy manual. Any such agreement must be in writing and signed by the President of the Company and me. Any other such agreements, oral or written, by anyone else are considered null and void.

If I am hired, I understand and agree that I will be required to complete all forms and documentation the Company requires for its new hire processing. My failure to do so may result in withdrawal of any employment offer or termination, if I have already started to work. After employment, I understand and agree that I will be required to complete all documentation the Company requires upon demand including, but not limited to, tax withholding, personal information changes, benefit enrollment forms, performance appraisals, and warning notices and other corrective actions. My failure to do so may result in disciplinary action up to and including termination, as deemed appropriate by the Company

I understand and agree I must adhere to the policies and procedures of the Company while I am an employee of the Company.
